Innovative, Safe, and Durable - Mason's Canadian Seating for Schools

What we do

At Mason, our passion for telescopic bleachers goes beyond their creation. We are committed to enhancing venues and facilities with our high-quality, Canadian-made telescopic bleachers, delivering products that are not just functional but also contribute significantly to the aesthetics and utility of any space.

MASON PLASTIC SEAT MODULES

Our one Piece modules are available in 14 standard vibrant colors, both in 10" and 12" modules. All Mason plastic seats are made from High Density Polyethylene (HDPE), injection molded, with no streaking! A 360 degree full 1" interlock ensures a tight seat to seat alignment for years to come.
